PROFESSIONAL EXPERIENCE

Markus Metzger worked for the first 17 years of his career in various positions in the transport and logistics sector.

He then worked for around 13 years as a tax specialist and partner with a large multi-national auditing and consulting company. During this period, he built up a new branch office in Zug and at the same time headed the company's VAT centre of expertise.

Throughout this time, one of his main activities was lecturing at internal and external courses, seminars (see also under MAM Business GmbH).

On 1 December 2013, Markus Metzger established Tax Team AG based in Cham (ZG), together with Branko Balaban.
